

MEDLOCK PRIMARY SCHOOL

In Summer 2022 Nursery will be learning 'Celebrations and Adventures'.

Communication, Language, Literacy

To continue extending sentences and introducing descriptive words such as 'now' and 'later' as well as positional language. To support their children to be able to shift from one task to another by using their name e.g. 'Charlotte, can you stop now? We're tidying up.' And can they understand the action words when shown. **We are using 'In the moment' planning to support children's communication and interests by encouraging them to discuss, respond and questions such as 'where?', 'who?' and 'what?'.**

Literacy Development

For the children to be able to handle books appropriately (holding the correct way and turning pages) and the children are becoming more interested in exploring different books and including them within 'in the moment planning'. Is the child creating marks such as circles, shapes, zigzag lines or marks which represent objects such as family members' faces or dinosaurs and animals. (are the children creating marks inside and outside)

Mathematical Development.

We will be introducing the numbers 1 to 3 on cards and using objects or finger counting and encouraging and supporting the children to recognise the representation of numbers to objects and recognising them in different forms.

Understanding the World

We will be exploring different life cycles for example caterpillars to butterflies and explore different minibeasts and the differences and similarities between them. We will be exploring Ramadan and Eid celebration, the call to prayer which they have and to embrace the culture and share experiences, food tasting of home celebrations.

Expressive art and Design

We will be experiencing the different music and experiences which the cultures celebrate Ramadan and Eid.

We will explore different ways to create marks and be imaginative in the forest school building different structures using different equipment as well as having an outdoor picnic.

Physical Development

Gross Motor- Each week the children will be participating in sport sessions with the sports coaches..

Fine motor- the children will have a physical sent via seesaw to participate at home and will be doing the same in nursery such as holding the pen or pencil in tripod grip as beginning to use scissors and be able to do the pour and fill containers or with support manage buttons and zips on their coats.

Personal, Social and Emotional Development

We will continue to build and extend on relationships and encourage the children to extend their play through 'in the moment planning' using props and extending play through using vocabulary and beginning to support them using linking words and following 3 key word instructions such as 'can you wash dolly's face'.
