

## MEDLOCK PRIMARY SCHOOL

### **In Summer Term 2 Nursery 2 's learning will focus around the theme 'Under the sea'**

#### **Communication, Language, Literacy**

We will be extending our vocabulary by exploring the theme of under the sea extending the children's communication skills when they are engaging in imaginative and exploratory play. We will continue to use 'Planning in the Moment' and encouraging children to lead play further. Children will be using their range of vocabulary to make decisions, compromise and extend upon their ideas.

#### **Literacy Development**

We will be listening to stories based on sea animals. During our literacy sessions, we will focus on introducing new vocabulary based around the books used and we will also tailor our 'Drawing Club' literacy sessions to question the children about ideas of under the sea and consider things such as how the animals live what can be found in the sea.

#### **Mathematical Development.**

We will be exploring numbers further, cardinality, routes and shapes this half term. We will explore a range of activities to develop our understanding of measurements, making comparisons, and describing routes and locations.

#### **Understanding the World**

We will be exploring more about the world around us and the places that we can explore. We will begin to look at sea animals and their habitats. We will begin to look at ways to take care of our environments and protect wildlife.

#### **Expressive art and Design:**

We will use and refine a variety of artistic effects to express their ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skill

#### **Physical Development**

We will continue our 2 PE lessons a week, on Tuesdays we will be working with our school sports coach and on Fridays we will continue to enjoy sessions with Manchester City in the Community. We will work on balance, moving with speed and stopping, changing direction, using physical equipment and ball skills.

#### **Personal, Social and Emotional Development**

We will continue to build upon our ability to find solutions to conflicts. We will be extending upon our play ideas and playing in both small and larger groups of friends independently.
